

NEW

Some tapes will stick around longer than others...

...Banner Tape from DTP

DTP Supplies are delighted to announce an exciting addition to their product range for banner and sign makers. DTP Supplies' BannerTape is a double sided solvent based tape which is perfect for use on both interior and exterior signs as it is not affected by water.

Quick and easy to use, BannerTape is ideal for hemming PVC banners prior to eyeleting and for many other applications.

BannerTape ideally complements our expanding range of products for sign and banner makers. We would be delighted to provide details of any products that may be of interest to you. Please make contact with one of our skilled and knowledgeable sales advisors in this respect.

Fix tape along edge of banner

Remove backing tape

Fold edge back

Press firmly to secure

Set eyelet (ask us about eyeleting machines)
