PRESS'N'SNAP

Heavy Duty Pliers

Our new **Press'n'Snap**, heavy duty, pliers are a fantastic solution for on site repairs using a variety of fasteners. With the right dies the **Press'n'Snap** pliers can set eyelets with internal diameter up to 11.00mm, industrial press fasteners, rivets and clips.

Press'n'Snap pliers are extremely strong and due to their unique design, very easy to use even when setting relatively large components. The **Press'n'Snap** tool also allows you to fit fasteners into large material sheets where hammer tools or traditional foot presses are not suitable.

For repairs to boat covers, banners and a huge variety of other uses the **Press'n'Snap** are a truly versatile, must have tool.
